

Uncollected Child Policy

Statement of intent

In the event that a child is not collected by an authorised adult at the end of a pre-school session/day, Elworth Pre-school Group puts into practice agreed procedures. These ensure the child is cared for safely by an experienced and qualified practitioner who is known to the child.

Procedures

1. Parents of children starting at the pre-school are asked to provide specific information which is recorded on our Registration Form, including:
 - home address and telephone number - if the parents do not have a telephone, an alternative number must be given, perhaps a neighbour's;
 - work telephone number and extension (if applicable);
 - mobile telephone number (if applicable);
 - names and telephone numbers of adults who are authorised by the parents to collect their child from pre-school, for example a childminder or grandparent; and
 - information about any person who does not have legal access to the child.

2. On occasions when parents are aware that they will not be at home or in their usual place of work, the Group will record how they can be contacted in our Collection Book.

3. On occasions when parents or the persons normally authorised to collect the child are not able to collect the child, the Group will record the name, address and telephone number of the person who will be collecting their child in our Collection Book. We agree with parents how the identification of the person who is to collect their child will be verified. It should be recorded how this information has been received e.g. by telephone, in person etc.

4. Parents are informed that if they are not able to collect the child as planned, they must inform us so that we can begin to take back-up procedures. We provide parents with our contact telephone number. We also inform parents that - in the event that their children are not collected from pre-school by an authorised adult and the staff can no longer supervise the child in our premises - we apply our child protection procedures as set out in our child protection policy.

5. If a child is not collected within half an hour of the end of the session/day, we follow the following procedures:

- the Collection Book is checked for any information about changes to the normal collection routines;
- if no information is available, parents/carers are contacted at home or at work;
- if this is unsuccessful, the adults who are authorised by the parents to collect their child from pre-school - and whose telephone numbers are recorded on the Registration Form - are contacted;
- all reasonable attempts are made to contact the parents/carers,
- the child stays at pre-school in the care of two fully-vetted workers until the child is safely collected;
- the child does not leave the premises with anyone other than those named on the Registration Form and in the Collection Book;
- if no-one collects the child and the premises are closing, or staff are no longer available to care for the child, we apply the procedures set out in our Child Protection Policy. We contact our local authority social services department (telephone number 01625 534700) and inform OFSTED telephone number (0300 123 1231)
- a full written report of the incident is recorded; and
- depending on circumstances, we reserve the right to charge parents for the additional hours worked by our staff.
